DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Muskogee, Indian Territory, October 18, 1906.

Joe Grayson,

Muskell, Indian Territory.

Dear Sir:

There is herewith enclosed one copy of the order of the Commissioner to the Five Civilized Tribes, dated October 15, 1906, dismissing the application made by you for the enrollment of your minor child, Annie Grayson, deceased, as a Creek Freedman.

Respectfully,

Commissioner.

IM-560.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Annie Grayson, deceased, as a Creek freedman.

STATEMENT AND ORDER

The record in this case shows that on March 14, 1905, there was filed with the Commission to the Five Civilized Tribes the application, in affidavit form, of Joe Grayson, for the enrollment of his minor child, Annie Grayson, deceased, as a Creek freedman. The affidavits of Stella Grayson and Betty Grayson, filed August 27, 1905, are also made a part of the record in this case. Further proceedings were had on October 3, 1905.

The evidence in this case is contradictory as to the dates of birth and death of said Annie Grayson, but the weight of evidence establishes the date of birth as July 1 or July 15, 1903, and shows that said applicant did not live more than a year after her birth.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, adjudged that there is no authority of law for the enrollment of said Annie Grayson, deceased, as a Creek freedman, and that the application for her enrollment as such should be and the same is hereby dismissed.

Dear Madam:

In the matter of the application for the enrollment of your minor son, Roy McKinley Holmes, as a Creek freedman you are advised that in the affidavits now on file with the records of this office, as to the birth of said child, your name appears as Mattie Gardner while you sign your name Mattie Gordon. It also appears from the affidavit of Frances Holmes that said child was born August 4, 1902, while in your affidavit and the affidavit of Jinny Barnett, midwife, the birth of said child is given as August 1, 1902. The latter date is presumably correct.

You are therefore requested to have the inclosed affidavits properly executed and when executed return same to this office in the inclosed envelope. Be careful to see that the notary public, before whom the affidavits are sworn to attaches his name and seal to each affidavit. In case any signature is by mark the same must be attested by two disinterested Witnesses.

NO FR 55

DEPARTMENT OF THE INTERIOR
COMMISSION TO THE FIVE CIVILIZED TRIBES

Muskogee, Indian Territory, May 19, 1906.

In the matter of the application for the enrollment of Hannah, Rebecca and Susie Prince as Creek Freedmen.

Annie Prince, being duly sworn, testified as follows:

EXAMINATION BY THE COMMISSION:

Q What is your name? A Annie Prince, on the rolls as Annie Scales.

The records of the Commission show that Annie Scales is listed on Creek Freedman card, field No. 867, Roll No. 3322

Q How many new-born children have you, Annie? A Three.

Q What is the name of the oldest? A Hannah.

Q When was Hannah born? A She was born--I can't tell you--could just tell you--I don't know what year. Now, she is a little over three years old.

Q You made affidavit here in which it was stated that she was born in March; is that correct? A Yes sir.

Q You also have an affidavit in which you state that this child would be two years old the 16th day of March; that was a mistake, was it--in March? A No sir.

Q It was a mistake? A Yes, sir, that's a mistake.

You are hereby advised, Annie, that we want the affidavit of the midwife in that case. A Allright.

Q When was Rebecca born? A She will be two years old the 16th of this coming month--June I think. This is May, ain't it?

Q What is the name of the father of this child? A Tom Prince.

Q If Tom Prince made affidavit that the child was born in February of this year, he was mistaken, was he? A Yes sir.

Q You are sure that the child is just about two years old--pretty near? A Yes sir.

We want the affidavit of Tom Prince and the midwife, particularly the midwife in the case of Rebecca. You understand? A Yes sir.

Q Your youngest child--what is its name? A Susie.

Q You have affidavits here, signed by yourself and Tom Prince in which the child is called both Susie and Susan; is that the same child? A It is Susan Prince.

Q You have not got Susan and ~~Susan~~ and another Susie--just one child? A Yes sir.

Q Tom Prince the father of that too? A Yes sir.

Q When was this child born? A Born the 9th of January.

Q This year? A Yes, this year.
Q If Tom Prince said this child was born April two years ago, he is mistaken? A Yes, sir, he is mistaken.
Q You are certain that you have three new-born children living today? A Yes sir.
Q You have only one--the youngest, one with you now? A Yes, sir, just one, the youngest one.
Q Did you have a midwife at all the three cases? A Yes sir.

We want you to have the midwife to tell about the birth of these three new-borns. It will be well, inasmuch as Tom Prince has made a mistake in two years in the children's ages, to have him come in too and correct those mistakes. A Alright.

(Adjourned for dinner)

Tom Prince, being duly sworn, testified as follows:

EXAMINATION BY THE COMMISSION:

Q What is your name? A Tom Prince.
Q How old are you, Tom? A I call myself 22.
Q What is your postoffice? A Muskogee.
Q Are you the husband of Annie here? A Yes sir.
Q How many new-born children have you? A Three.
Q What is the name of the oldest? A Hannah.
Q When was Hannah born? A I just disremember now.
Q How old is she? A She is about three years old, I guess.
Q Is she living? A Yes sir.
Q What is the name of your next one? A Rebecca.
Q She is next to the oldest, is she? A Yes sir.
Q When was she born? A I don't know, sir.
Q About how old is she? A Pretty near three years old, I guess--two.
Q Do you know the month she was born in? A No sir, I can't read or write.
Q You are sure she is pretty near two years old? A Yes, I am sure of it, I think.
Q If you made affidavit in which it was stated that Rebecca was born the 6th of February, you were mistaken, were you? A I guess, I did.
Q That was a mistake? A I think it was.
Q You are certain now about this next one that is soon to be two years old? A Yes, sir, I think so.
Q Don't you know it for an actual fact? A--
Q The next child? A Susie.
Q Susie or Susan? A Her name is Susan.
Q How old is Susan? A She is about four months old.
Q Born this year? A Yes sir.
Q And living? A Yes sir.
Q Is that she there? A Yes sir.
Q Was Annie the mother of all these? A Yes sir.

By Commission.

Q Do you know this woman here? A Yes, sir.

Q Were you present when one of her children was born? A Yes, sir.

Q What was its name? A When I left the house they said its name was Jim, I never went back there any more until I reckon about two months ago.

Q Was Jim living when you were there? A When I seen them again I asked them about the child and they said he was dead.

Q When was that? A It was long about two months or three months ago.

Q And he said the child was dead? And you went up there two or three months ago, did he tell you how long the child had been dead? A No, sir.

Q Do you know when the new year is, the beginning of the year. A I reckon I do.

Q So it was that first month you met the father of the child and he told you that? A No, sir, it wasn't long ago, it was about two months ago if it has been that long.

Q He didn't tell you how long it had been dead? A No, sir, he didn't that day.

Q When was the child born you say? A In September, don't know what day, they came after me and I didn't go, I had a grand child sick and the next time they came they said I had to come and I went and just as soon as that was over I walked out and they got up and I said to name that child Jim and that was the last I saw them until not long ago.

Q Are you any relation to them? A No, sir.

Q Are you in the habit of naming the babies? A No, sir.

Q Do you give them names always? A No, sir, I just spoke that way you know. I didn't stay no time because my baby was sick and the next time I saw them they said the child was dead.

Q When was that? A I don't know.

Q How long was it after September? A I haven't any record of it been since cotton was planted.

Q Was they tell you how long it had been dead? A They said it died in March. I live in the Cherokee Nation, I don't know when was cotton planted.

Q Was it planted as late as March? A No, sir.

Q When is it planted, in June or July, did they plant it that time this year. A I don't know exactly, I know my man didn't plant any in March, it was too wet.

Q Were you present when this child died? A No, sir, I live in the Cherokee Nation. She told me the baby died in March when I asked her.

Q All you know about when it died is what was told you? A Yes, sir.

Hannah Payne recalled.

Q You said you had a preacher when this child died? A Yes, sir a preacher was there, his name is Elder Hearce
Q Does he live at Catches? A Yes, sir.

The witness is advised that this office requires more testimony further evidence in this case and that she will be allowed fifteen days in which to have Elder Hearce here and any one else who was present at the funeral.

Q When you got through testifying a while ago you went out in the hall and talked to your husband the next witness, you weren't telling him anything? A I told him I was sick
Q And you told him to come in here and say the child lived five months? A No, sir
Q Do you know that the child lived five months to a day? A Yes, sir
Q Do you know it didn't live more than five months? A Yes, sir
Q Did it live less than five months? A About five months
Q You signed an affidavit by mark before a notary public named W.A. Cain and in that you said the child was born September 15, 1904 do you know that to be a fact? A Yes, sir. About the third Sunday in September.
Q You didn't tell him it was born September 15th? A No, sir, he put it down and I didn't know
Q You think he lived five months from the third Sunday in September A Yes, sir

Nancy Shepard recalled

Q You stated you didn't know the date the child was born but you signed an affidavit before notary public Cain, by mark, saying the child was born the 15th of September, do you know that?
A I didn't tell him any dates. He asked me when was the child born and I told him in September and he never swore me either
Q So when you put down your name there by mark he didn't swear you? A No, sir. He asked me was I the doctor for that child and was it born in September and I said yes, in September
Q And you put your name down here by mark and two witnesses signed, did you see them sign? A No, sir
Q And he didn't ask you when the child died? A No, sir
Q You know the child was dead didn't you? A They told me
Q Did he ask you if the child was living March 4, 1905? A No, sir she told me that, I asked him what he wanted me to do and he said was you the doctor and I told him I reckon I was but I wasn't sworn to it
Q Do you know whether the mother was sworn? A She wasn't

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.
Mashogue, Indian Territory, May 20, 1904.

In the matter of the application for the enrollment
of Jim Payne, deceased, as a Creek free-man.

MANUEL MONDAY, being duly sworn, testified as follows:

- Q What is your name? A Manuel Monday.
Q What is your age? A 31 past.
Q What is your post office address? A Oktaha.
Q Do you know this woman Hannah Payne out here? A Yes, sir.
Q Do you live near her? A Yes.
Q What is your occupation? A A minister.
Q Of what church? A Missionary Baptist.
Q Did you know this woman's child, Jim Payne? A Yes, sir.
Q Did you ever see Jim? A After he was dead.
Q Did you preach the funeral sermon? A I attended the burial.
Q What day was that burial? A That is the only thing that I can't
hardly remember. It was a young infant and I didn't pay strict
attention.
Q Do you know how old it was? A No, sir.
Q Did you hear how many weeks or months old it was? A From what I
could learn about it, it was born some time along in the month of
September.
Q A Year ago last September? A Yes, sir.
Q That's what you learned? A Yes, sir..
Q How long after that before you preached the funeral? A Along in
March coming.
Q Are you sure of that? A That is as far as my memory serves.
Q Do you keep any record of these preachings? A Some times I do.
Q Did you in this case? A That is what I say, I didn't. In this case
I didn't keep any record of it at all because it was just a little
infant and I didn't put myself to any trouble about it but when it is
a person that leaves any testimony, I takes the time, age and all
about it and funeralize that memorial.
Q Didn't you hear that child was only about a month old; that it was a
very small infant? A I think that is what I answered you--that it was
a little infant.
Q Wasn't it in the late fall or early winter you did that preaching?
A No, sir it seems to me it was early in the spring. It seems--
Q You don't remember the exact month? A No, sir.
Q Do you remember whether it was after New Years? A Think it was
along in March, it was after New Years.
Q Somebody told you that? A I am only using my suppositions.
Q Didn't somebody tell you it was along in March? A No, sir.
Q Didn't this woman tell you to say March? A She didn't give me any
information about this matter at all, only said they wanted one more
witness and she was incapable of telling me what for.
Q Was she good sense? A Not so very good, she is liable to vary.
Q Now Hannah the first time she came in here about this child swore
that it was born on the blank day of September 1904 and died one month
after birth. You swore to an affidavit that way. The next time she
said it was born September 15, 1904 and was living March 4, 1905, the
midwife did the same thing on the same day and the midwife came in
later and swore it was born blank day of September 1904 and died in
March and Hannah also testified under oath that the child was born in
September and lived until March 4, 1905 but said she didn't know much

about the time it died but that it lived five months and no more.
 Q Now the 11th September it would take it up to January 11. Now
 isn't it possible you are mistaken when you gave March? A It might be.
 Q In other words your testimony isn't worth hardly anything. Do you
 know of any persons who could fix the time, any persons who have a
 better memory than you have. A No one but Hannah's mother.
 Q What is her name? A Hannah.
 Q Isn't there any other person that fixes the date of that funeral
 in your mind? A No, sir, nothing that I think of.
 Q Did you ever hear of George Washington? A I have heard of him some-
 times.
 Q You have heard he has a birthday celebration every year/ Did you
 ever hear of Washington's birthday? A If I did my memory don't serve
 me at this present.
 Q Do you know when St Patrick's day comes? A When it comes to these
 things I don't pay any attention to it.
 Q But you do know when New Years day comes? A Yes, sir.
 Q Now how long after New Years was it this funeral happened? A Along
 in about the first part of March.
 Q That is not telling me how long? A You say how long would that be
 from the first.
 Q You don't remember how close it was to New Years last year that this
 child died? A I said it was in March.
 Q According to your best guessing what part of March would you guess
 it was in? A I have already said along about the first of March.
 Q You are only guessing on that? A The way I am answering you can see.
 I told you I didn't make any record of it because it was just a small
 infant and I didn't pay any particular attention to it because I had
 no thought of being called on before the Commission to make any
 statement then.
 Q Did you pay your own way up here today? A Came in my buggy.
 Q Did this woman pay you any money at all? A Not a five cents.
 Q Did she promise you anything? A I don't know as there is any fee in
 it.
 Q Any kin to her? A Her mother and I are second cousins.
 Q Are you sure it wasn't in the month of January? A I am just
 guessing all the way along.

I, Anna Garrigues, on oath state that the above and foregoing is a
 true and correct transcript of my stenographic notes as taken in
 said cause on said date.

Subscribed and sworn to before me
 this 20 day of May 1906.

- Q What time was it when that child died? A I couldn't tell you the date or the time.
- Q I say what time of the year was it when the child died? A I couldn't tell you the date of the time at all, that is all I could tell you; no sir, I couldn't tell, no sir.

BY MR. LINNEN:

- Q John don't you know what time of the year this child died?

- Q I am asking you what time of the year the child died? A After the 4th of March all I know.

- Q Who went to the funeral of that child? A Well sir, I am going to tell the truth, I wasn't there when it was buried, don't know nothing about it.
- Q Where were you when it was buried? A I was at home.
- Q You mean to say you didn't go to your own child's burying?
- A I sure wasn't.
- Q Why didn't you go? A They just took it and buried it.
- Q Did your wife go to the funeral? A No sir, nary one didn't go at all, I stayed at home.
- Q Who buried this child? A I couldn't tell exactly, they took it-- let's see, General Lewis he lived there, he took it; I didn't go.
- Q Have a preacher there? A Not as I know of. I didn't go.
- Q John you don't know very much at all do you? A I can't read at all, tell the truth.

- Q You can't tell the Commissioner why you didn't go to your own child's funeral, can you? A I just stayed at home.
- Q That your only reason? A I just never went; I just stayed at home.
- Q Rather funny thing, isn't it, that you didn't go to your own child's funeral? A I didn't go, I am telling God's own truth.
- Q Who took the child's corpse away from the house? A General Lewis.
- Q Who else was there John besides General Lewis at the funeral of this child? A Don't know a thing about that, no sir.
- Q Who made the coffin? A I will say this-- Mr. Cherry on his way--
- Q Jim Cherry? A Yes sir.
- Q Who got him to make it? A I wouldn't be sure, think it was the same man.

Jim Payne

- Q General Lewis? A Yes sir; that is all I know about it.
Q Was any one else there at the house when they took the corpse away besides General Lewis? A Just the housefolks.
Q Let's have the name of the housefolks? A My wife and me.
Q Anybody else? A No sir; Mrs. Shppard was midwife, Henry.
Q Was she there when the child died? A She was there when it was born.
Q Was she there when it died? A No sir.

- Q How close do you live to them Jim? A About a mile.
Q Known them both ever since they have been married have you?
A Yes sir.

4th day of March.

March; I tell her I couldn't say that because I don't know.
Q Give the conversation you have had with her since she has

Q She offer to pay you anything to swear that the child was
born before the 4th day of March? A No sir, she didn't make
any offer.

Jim Payne-----9

- Q Do you remember about when the child was born Jim? A No sir, I can't; it was very hot weather then, maybe it was about July or August, it was awful hot weather I noticed, but what month I couldn't really tell.
- Q Do you know how long it has been since the child was born? A Must be about a year I guess, sometime along there, maybe a little over.
- Q Did you ever hear the child called Jim Payne? A No sir, never heard him called.
- Q Did you attend the funeral of the child, Jim? A No sir, I did not attend the funeral.
- Q Didnt they have any funeral? A Dont think they had any.
- Q Do you know when the child died? A The closest point I can give on the child's death-- old man General Lewis, her father, come to me to make a box on a Sunday morning; child died Saturday night; and I asked him if the child was born last night, he said yes, born Saturday night, that was Sunday morning; I then made the box for him; and he said the child come dead; that is what he told me; so I went to work and made the box for him.
- Q Did you go to the house Jim after the child died? A No sir I didnt go to the house; I just made the box; I went on to Sunday school; I was superintendent of the Sunday school.
- Q He took the box on over to the house? A Yes sir, General took it over.
- Q You say General Lewis told you the child was born dead? A Yes sir.
- Q Tell you whether it was a boy or a girl? A No sir, didnt say it come dead last night.
- Q Did he say anything about who waited on Hannah when the child was born? A No sir, didnt hear that only from general rumer outside.
- Q What did you hear? A On the outside Mrs. Hannah Payne was going to the church house on Sunday, talking there at the char ch, and said her mother wanted fifty dollars for helping her put a child on the roll, and she was kicking about pay, and Miss Sheppard I think she wanted to swear to it for five dollars; she swore to it cheaper than her mammy would; her mother wanted fifty dollars.
- Q What is her mother's name? A Mary Lewis.
- Q Mary Lewis General Lewis's wife? A Yes sir.
- Q How far does General Lewis live from where John and his wife do? A About a quarter.
- Q Been living there for the last three or four years have they Jim? A Little over two years.
- Q Ever since they have been married? A Yes sir.
- Q You know it was very hot weather when Lewis came to you and asked you to make that box? A Yes sir, very hot weather.
- Q You think it was in July or August? A No sir, dont know what month; it was a little infant, didnt take much notice.
- Q You are certain it was in the spring? A Dont think it was; little bit later than that.

BY THE COMMISSIONER

- Q How long did it take you to make that box, Jim? A About a half hour.

Jim Payne 11

- Q Just a small box? A About a sixteen inch box.
Q Well you know a box like that you couldn't put a child in an
small as six months old, do you? A No sir, couldn't do that.
Q When you were making that box, you were making it for,
from what Lewis told you, for a child born dead? A Yes sir,
it was a very small box.
Q Are you any kin to any of those people? A Well my wife
is her mother's half sister is all.
Q Are you on good terms with them? A Pretty fair terms.
Q Have you any ill feelings? A I think my wife has ill
feelings against his wife; don't amount to nothing with me.
Q What kind of people are they; has John a good head? A I
think he is a little bit lunatic.
Q Hannah the same way? A I think she is the same way.

BY MR. LEECH:

- Q Jim, referring to the statement you made a while ago
about hearing Hannah Payne say something at the church,
just state to the Commission what you heard Hannah say at the
church? A After the church broke she was talking; said
she wanted to get child enrolled; her nanny wanted to charge
her fifty dollars and that was I suppose as a midwife;
said she could get others cheaper than her.
Q Did you hear her say who else she could get cheaper than
her mother? A On Monday I went to Ottawa, going up
about ten o'clock; I met Mrs. Sheppard; she asked for Hannah
Payne; that is when she done her work there at Mr. Cain's
I guess, on the same day.

- Q When was that child born, Nancy? A I dont know no dates, but it was born in the fall in September.
- Q You are certain of that? A Yes sir.
- Q You know what day of the week it was born on? A I believe as nigh as my memory will serve me, it was born on a Saturday night.
- Q You are certain it was born in September? A Yes sir, but cant say for certain whether Saturday night or Friday night.
- Q What year was it born? A Dont ask me that; I cant tell.
- Q How long has it been since the child was born, how many years ago? A Child was born, I think though the 2nd; I stayed there two nights, must have been the second night, I could not just tell you; it was either the second night I stayed-- no I dont know.
- Q I mean, Nancy, how many years ago has it been since the child was born? A Well I reckon about a year; just been up here-- this is the fourth year.
- Q It wasnt born last fall was it? A No sir, last Fall I was living down here on the Midland Valley.

- Q How long did that child live? A Oh a few minutes.

- Q You are sure it was born alive, are you? A Oh, yes sir, I handled it; I know it was born alive.

Jim Payne-----3

- had to hurry. Anyhow I had a sick baby of my own.
- Q Child died before you left the house? A Yes sir.
- Q Parents know it was dead before you left there? A Yes sir, indeed they did.
- Q Do you know who buried the child, Nancy? A Mr. Lewis.
- Q General Lewis? A Yes sir; its grandpa.
- Q Do you know who made the coffin-- box? A They told me that Jim Cherry made it; I didnt see nothing about it.
- Q Do you know W. A. Cain, a Notary Public? A Yes sir.
- Q You made an affidavit before him about the birth of this child, didnt you Nancy? A Yes sir.
- Q Sometime last year? A Yes sir, he asked me if I was the midwife; told him I was; that is all I did do, because I dont know no dates.
- Q You also made an affidavit here before the Commissioner sometime last year about the birth of this child, didnt you Nancy, something over a year ago you made an affidavit? A Yes sir; I come here before him and swore to being the midwife.
- Q Is that the affidavit you made before that man Cain (showing witness the affidavit filed in this cause on June 10, 1905)? A I dont know; I cant read a lick in the road; dont know no dates.
- Q Who was present when you made that affidavit before Cain, Nancy? A I swear I couldnt tell you.
- Q Do you know H. O. Duncan? A Mister I dont know; he had a store; whole lots of people there.
- Q Who? A Cain's store.
- Q Do you know R. L. Jetton? A Might seen them, but dont know their names.
- Q Now Nancy, in the affidavit you made before Cain you swore that child was born on the 15th day of September, 1904, and that it was living on the 4th day of March, 1905? A He told me before that, when I was here before, I told that same man that was abusing us--

BY THE COMMISSIONER:

- Q What man, Cain? A No, man here,-- that I knowed no dates, and if he put it down he didnt read it to me.

BY MR. LINNEN:

- Q If you did swear before Cain that the child was living on the 4th of March, 1905, it is not so, is it? A No sir, it is not so; he might have put it down Mister, I know no dates.
- Q Did you ever hear anybody say that that child lived until March, 1905? A No sir; I heard its mummy set in her and tell them tales; I set in the hall and heard them.
- Q Then, if you stated before the Commissioner here that you did hear the child died in March, 1905, this last year, you stated something that is not a fact didnt you? A I dont it because he called me a liar; I own to that, I come to straighten that with you all.

Jim Payne-----4

- Q As a matter of fact, that child was born in the fall, in September? A Yes sir.
- Q That is the truth? A That is the truth; I come with the truth. I asked him to take that off there because Mr. Galt never did swear me to that affidavit; he didnt swear Hannah either.
- Q Nancy, have you heard anything about these people trying to get this child on the roll when it was not entitled to be there? A I heard them say-- this preacher Munday Manuel attended the funeral; I come to tell you all the truth-- wasnt a funeral; just put it in a box and carried it away, two men.
- Q Were you there when they took the child away? A I wasnt at the house; I was gone home; but I know they did, and I would have told him the truth too if he hadnt commenced to abuse me before I got in here.

BY THE COMMISSIONER:

- Q Nancy, when you testified in this case last July a year ago, you were asked a great many questions, which gave the impression that that child didnt die for several months. You were asked if you were present when it was born, you said yes sir; you were asked its name; you said when you left the house they said its name was Jim; you were asked if Jim was living when you were there; and you said, when I seen them again I asked them about the child and they said he was dead; then you were asked if they told you how long the child had been dead, you said no. A They might asked me all that too.
- Q And you said the child was born September, you didnt know what date; they came after you and you didnt go; you had a grandchild sick, and the next time they came after you you went and just as soon as that was over you walked out and they got up and you said to name that child Jim, and that was the last you saw them until not long ago. You said you didnt stay no time because your baby was sick, and the next time you saw them they said the child was dead. You were asked how long it had been dead; you said they said it died in March; you said you lived in the Cherokee Nation, you didnt know when was cotton planting. And you were asked this question, "were you present when this child died," answer, "No sir, I live in the Cherokee Nation. She told me the baby died in March when I asked her."
- Now I will ask you if you were present when the child died? A I dont know what I did tell that man, because time I entered the door I aimed to tell you that; I told him he called me a liar, I come to lie; I said if he had let me alone I would tell the truth.
- Q Well then the reason your testimony looks quite different from what it does now is because you were mad? Were you present when that child died? A Yes sir, I was.
- Q Because you say it died a few minutes after it was born? A Yes sir.
- Q And it wasnt true when you said it wasnt dead when it was born; it wasnt true? A No sir, it wasnt.

Jim Payne

- Q Now, when you swore to an affidavit here in this office, knowing the child was born in September, and that you said told it lived until March, did you at that time know that this child only lived a couple of hours? A Of course I know it.
- Q Then the impression given that you intended to swear that as far as you knew it was living the next March after it was born, that was wrong wasn't it; you didn't actually swear he was living in March, but you swore that you were told he was living in March, and as a matter of fact you knew that he wasn't living the next March after he was born? A I know it wasn't so; wasn't trying to tell him nothing.
- Q And you allowed it to go in that way because you were mad? A I wasn't caring; I just talked any way; I said it was a lie; he driv me out and I went.
- Q Fact of the matter is, you know then as you know now, that the child was born in September and only lived a few minutes? A That is true.

- Q What is the name of her husband? A John Payne.
- Q How many children have they General? A Well Hannah has got well they have got two children living.
- Q Got any dead? A Two that is living not John's.
- Q How long have they been married? A Something long about three years I guess. Now I just couldn't tell exactly.
- Q How many children has Hannah had since they were married? A Since they have been married, my Hannah has three children. She has had three children, two, but one out of the three wasn't John's she claims.
- Q Are either one of the three children she has had since she and John were married living at this time? A Yes sir, that is Jessie Payne; but then she is not John's.

Jim Payne-----

- Q Was Annie the first child that was born to her after she married Jim? A Yes sir.
- Q Then she has given birth to two other children since that time? A Since that.
- Q Are those two children living or dead that she had since that? A Both are dead.
- Q What were their names, two dead children? A One, first one was called Jim Payne.
- Q What was the last one named? A Not named; didn't stay here long enough.
- Q When was the last one born? A About three or four months ago.
- Q When was Jim born? A Well Jim-- near on to two years I think.
- Q Been about two years ago since Jimmie was born? A I think so, not certain.
- Q What time of the year was he born? A Jim was born along in the fall of the year as far as my remember.
- Q Know what month? A No sir, I couldn't tell you exactly, but I could make a rough guess at it; I suppose it was long about in September; it was cotton picking time I believe.
- Q You are satisfied it was in the fall of the year? A Yes sir, I think it was now.
- Q Were you present when the child was born? A No sir, I wasn't.
- Q Was your wife present when it was born? A Yes sir, she was.
- Q How long did Jim live General? A I don't suppose Jim lived any time, for my wife went up that night that Hannah was sick, when I come in-- I was off-- Hannah was sick, so my wife she went on down there, come back she told me the child was dead.
- Q How long did she stay down there, General? A She must have stayed there all night.
- Q She went down there during the night did she? A Yes sir, I think she went there during the night, it must have been in the night; anyway the next morning I went.
- Q You went down there? A Yes sir.
- Q See the child? A Yes sir.
- Q Was it dead? A It was dead.
- Q Who made the arrangements about burying the child? A I did.
- Q Who made the coffin or the box? A James Cherry.
- Q Did you have him make it General? A yes sir, I had him make it; now I got at it straight, yes sir, I think James Cherry made it.
- Q How far did John and Hannah live from you at that time, at the time the child was born? A About a quarter of a mile or so.
- Q And Hannah is your daughter? A Yes sir.
- Q You know as a matter of fact that that child never lived a day? A It wasn't the next morning; said it was dead.
- Q It was born during the night and you went there the next morning and it was dead? A My wife can tell more than I can; anyway I went there the next morning and went up to James Cherry and had the box made, and we buried the child.
- Q Now General, if that child only lived a few hours, or less than a day you might say, how can you account for the fact that Hannah and her husband both have sworn here before the Commissioner that the child was born in September, and lived until the next March; explain to the Commissioner why they have done this? A Well I don't know; I am telling what I know about it; I couldn't tell the reason that

Jim Payne-----9

they done any such thing at all; Mary one of them is in their right mind at all; but as far as their baby I am only telling you-- I cant give account of what somebody else has done-- only what I testified.

Q Has either one of them ever counseled or advised with you about getting this child on the roll? A No sir.

Q Do you know General, who they had to counsel and advise with about affairs like that? A No sir, I dont know. Of course Hannah's married all right enough-- all business I handle altogether; that was one part I had nothing to do with-- that part was kept from me.

Q Hannah is a cripple, is she not? A Yes sir; it's a birth mark.

Q How many children has she living? A Two.

Q How old are they John? A Well little Billie-- I think Billie is something about six years old and the little girl is about three I reckon.

Q Do those children live with John and Hannah? A Billie lives with me, and the girl is with Hannah.

Q What does John do? A Well he does the best he can, farms a little-- as far as his brain allows him.

Q Have you and your wife any children living with you, General, besides that one of Hannah's? A Youngest child I have got is nineteen years old, youngest I have got living-- that's Millie.

Q General you say that neither Hannah nor John have their right mind? A No sir, never appear so to me.

Q How long has Hannah been that way? A That is a birth mark.

Q She knows how to read and write dont she General? A I dont think she knows A from B. I sent Hannah to school; she didnt seem to learn at all, and so I had to take Hannah from school and raise her right in the house; I am accountable for that, she not knowing how to read and write.

Q How long have you known her husband, John? A About four years I reckon.

Q Has his mind apparently been affected ever since you have known him? A Yes sir, he dont act exactly like a man in his right mind.

Q As the father of Hannah and interested in her welfare, would you think it advisable that she be sent to an asylum? A No sir, I dont think it would be.

Q Well, what would be your objection to sending her to an asylum? A Objection that I would have to that, she has got mind enough to go along; she dont try to hurt nobody or hurt herself; she can go and wash, but doing business for herself, she aint there.

Q Do you think it would be advisable to send her husband to an asylum for the insane? A Of course I know about him-- all my days I can see something about that; but I would just place them both together; both got sense enough to work, dont hurt nobody nor hurt themselves: I dont believe-- law is law-- I am only passing my judgment about it.

Q General, they both have mind enough to know right from wrong, havent they? A I dont believe they are in business.

Q When Hannah and John both came here the other day and swore that this child, Jim, was born in September and lived until the next March, they certainly knew that they were telling a falsehood, didnt they? They have got enough mind for that? A They swore to it and told it. I am telling you that.

Jim Payne-----

- Just what the law says about that, that's all.
- Q General, have you any idea, who could have put these two people up to trying to get this child on the roll? A I don't know who on earth ever did; if I knew it I would tell it.
- Q Who went to the funeral when that child Jim was buried; who helped bury it? A It wasn't very many there.
- Q Have any preacher there? A Not as I know of.
- Q You went there yourself, didn't you? A I and some others were there; there is one man I know for certain was there.
- Q Do you know Emmanuel Sunday? A Yes sir, I know him.
- Q He is a preacher? A Yes sir, preaches lots of times.
- Q Was he there at the funeral when this child was buried? A That is one-- no I don't know.

WITNESS KNOWN.

MARY LEWIS, being first duly sworn, by Henry C. Haine, a Notary Public, testifies as follows:

BY THE COMMISSIONER:

- Q What is your postoffice address? A Oxtana.
- Q Are you the wife of General Lewis? A Yes sir.
- Q Are you the mother of Hannah Payne? A Yes sir.

- Q Were you present when that child was born? A I wasn't in the room there.
- Q What time of the year was the child born? A Along in the fall.
- Q Know what month it was? A No sir, couldn't tell you.

- Q How long did the child live Mary? A About two months.
- Q You were right there when it was born were you? A Not right there; on the porch, right there.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment
of Jim Payne, deceased, as a Creek Freedman.

DECISION.

The record in this case shows that on March 14, 1905, application was made, in affidavit form, supplemented by further affidavits on June 10, 1905, and on July 7, 1905, and by oral testimony on July 7, 1905, May 28, 1905, October 25, 1905, and October 27, 1905, for the enrollment of Jim Payne, deceased, as a Creek freedman, under the provisions of the Act of Congress approved March 3, 1905.

It appears from the evidence that the said Jim Payne was born September 15, 1904, and is now dead, and was the child of John Payne, a non citizen, and Hannah Payne, who is identified as Hannah Lewis, opposite No. 1336, upon the approved roll of Creek freedmen.

The evidence as to the date of the applicant's death is conflicting. The first affidavit of Hannah Payne is to the effect that he died one month after his birth; her second affidavit states that he was living March 4, 1905, and the testimony of herself and her husband is stubbornly insistent upon the one point that the child died after March 4, 1905.

The testimony of Manuel Monday is discredited by his admission "I am just guessing all the way along." That of Nancy Shepard was at first in accord with the contention of John Payne, and Hannah Payne, but on the second occasion on which she gave testimony she stated that the child died a few minutes after its birth.

Jim Cherry, who made the box in which the child's body was buried, also General Lewis, the child's grandfather, who attended to the funeral arrangements, both swore positively that the child was buried on the day following its birth.

It appears from a preponderance of the evidence that the applicant was not living on March 4, 1905.

The Act of Congress approved March 3, 1905 (33 Stats., L. 1048), provides in part as follows:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this Act to receive and consider applications for enrollments of children born subsequent to May twenty five, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this Act; and to enroll and make allotments to such children."

It is, therefore, ordered and adjudged that the said
Jim Burns, deceased, is not entitled to be considered as a
Cattle Ranchman, under the provisions of the Act of Congress
approved, and the application for his settlement as such is
accordingly denied.

DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT
Washington, D.C.
February 20, 1907
Land 13732-1907

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed the record of proceedings in the matter of the application for the enrollment of Jim Payne as a Creek Freedman, including the decision of the Commissioner to the Five Civilized Tribes, adverse to the applicant.

The record shows that on March 24, 1905, application was made, in affidavit form supplemented by further affidavits on June 10, 1905, and on July 7, 1905 and by oral testimony for the enrollment of Jim Payne, deceased, as a Creek Freedman.

The evidence shows that Jim Payne was born September 15, 1904, and is now dead, and that he was the child of John Payne, a non citizen, and Hannah Payne, who is identified as Hannah Davis on the approved roll of Creek Freedmen.

The evidence as to the date of the applicant's death is conflicting, but by a preponderance of the evidence it is shown that the applicant was not living on March 4, 1905. Therefore, by reason of the provisions of the Act of Congress approved March 3, 1905 (33 Stat. L. 1049), the Office concurs in the decision of Commissioner Dixby, denying the enrollment of Jim Payne, deceased, as a Creek Freedman.

Q Did you act as midwife for a child of theirs named Leona?

Q You made a mistake then did you? A Yes sir.
Q You now positively state that that child is two years old?
A Yes sir.

In the matter of the application for the enrollment
of Clara Ellen Thompson, deceased, as a Creek freedman.

STATEMENT AND ORDER

The record in this case shows that on March 16, 1905, there was filed with the Commission to the Five Civilized Tribes the application, in affidavit form, of Will Thompson for the enrollment of his minor child, Clara Ellen Thompson, deceased, as a Creek freedman. Other affidavits in this matter were filed on May 2, 1905.

The evidence shows that said Clara Ellen Thompson, deceased, was born September 20, 1903, and that she died October 27, 1904.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, adjudged that there is no authority of law for the enrollment of said Clara Ellen Thompson, deceased, as a Creek freedman, and that the application for her enrollment as such should be and the same is hereby dismissed.

The record in this case shows that on March 14, 1906, there was filed with the Commission to the Five Civilized Tribes at Muskogee, Indian Territory, the application of Lizzie Anderson for the enrollment of her minor child, Louis Jameson, deceased, as a Creek freedman.

The act of Congress approved March 3, 1905 (Public No. 212), provides:

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Walter Simmons, deceased, as a Creek freedman.

STATEMENT AND ORDER

The record in this case shows that on March 11, 1905 there was filed with the Commission to the Five Civilized Tribes the application, in affidavit form, of John W. Simmons for the enrollment of his minor child, Walter Simmons, deceased, as a Creek freedman. Further affidavits were filed in this matter on May 2, 1905, and May 16, 1905.

The weight of evidence shows that said Walter Simmons, deceased, was born October 12, 1903, and that he died prior to March 4, 1905.

The Act of Congress approved March 3, 1905 (33 Stats., 1060) provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, adjudged that there is no authority of law for the enrollment of said Walter Simmons, deceased, as a Creek freedman, and that the application for his enrollment as such should be and the same is hereby dismissed.

Q How many children have you? A Six.

Williams.. #2.

- Q Then, the last entry in that Bible I suppose would be about your youngest child Lenard? A Yes.
- Q Have you the record of the date of Lenard's death in that Bible too? A I do not know.
- Q Did she put the birth down? A Yes.
- Q Can you not tell me about how long that child lived? A I can not exactly.
- Q Well, about? Do you know whether it lived a month or not? A It was born before Christmas and lived until April.
- Q About how long before Christmas was it born? A I think it was about two months.
- Q You state that it was born about two months before Christmas? A Yes.
- Q Are you sure that it was not born as much as four months before Christmas? A No, it was not that long before.
- Q Are you positive of that? A Yes.
- Q Are you positive that it was not six months before Christmas? A No; I know it was not six months before Christmas.
- Q You know that do you? A Yes. We had both the children here.
- Q You had both the children here? A Yes.
- Q When did you have Lenard here? A When we came to enroll.
- Q But your youngest child died you say? A Yes.
- Q You say it lived until April? You mean last month? A Yes.
- Q Look here Elmer! You swore to an affidavit about this child Lenard here before the Commission-- you made it out on the 9th of March this year-- and then you signed with your own hand an affidavit and swore that this child, Lenard, was born on the 15th day of May, 1904? A I made a mistake.
- Q You come here now and state that this child Lenard was born about two months before Christmas. Is May two months before Christmas? A When I came here you claimed--
- Q When you came here I claimed nothing-- You made out that affidavit signed it and swore in there that this child Lenard was born in May, 1904--now you state that it was born two months before Christmas? A When I came to enroll the child I brought a statement that my wife gave me-- a written statement.
- Q But here is an affidavit that you signed that says May. May is not in the Fall? A You mentioned about that.
- Q I do not remember mentioning anything and there is nothing in the record showing that I did? A You asked me--
- Q It is supposed that you gave the dates to the Notary Public that you wanted put in the affidavit-- and here is the affidavit that says that Lenard was born in May, how do you account for that? A I do not know how that was made, but I took my wife's statement just as my wife gave it to me.
- Q Then your only knowledge about the child was the statement that your wife gave you? A Yes, that is all.

ANNIE WILLIAMS, being duly sworn, testified as follows:

EXAMINATION BY THE COMMISSION:

- Q What is your name? A Annie Williams.
- Q How old are you? A Twenty-five.
- Q What is your postoffice address? A Muskogee.

Williams.. #3.

- Q Are you a citizen of the Creek Nation? A Yes.
- Q Did you have two new-born children for whom application has been made here? A Yes.
- Q What are their names? A Mary and Lenard.
- Q Is Lenard living? A No.
- Q When was Lenard born? A He was born the 15th of November.
- Q Are you sure of that? A Yes, I am sure of it.
- Q Are you sure you had a child named Lenard? A Yes.
- Q Your husband said that you brought it in here on the 9th of March when he made an affidavit? A I brought it in here but I do not know what time it was.
- Q You are sure that that was that child Lenard? A Yes.
- Q That was your child? A Yes.
- Q Your husband made an affidavit that day in which he said that child was born in May? A I wrote it down and he brought it in. I wrote it November and he said that you said that it was May.
- Q You mean that you wrote it so poorly that we thought it was May is that it? A It was not so poorly. ~~XXXXXXXXXX~~
- Q Did you write it on that piece of paper from the Bible entry? A I do not know what I wrote it on, but I wrote it on a piece of paper.
- Q But you wrote it from what you saw in the Bible? A I did not see any paper; I know what it was.

ELMER WILLIAMS, re-called, testified as follows:

EXAMINATION BY THE COMMISSION:

- Q Can you read and write? A A little but not very much.
- Q You can count tolerably well can you? A Yes, a little.
- Q You know when October was don't you? A Yes.
- Q That was last year was it? A Yes.
- Q Don't you never stay at home at all? A Yes, part of the time.
- Q Can you explain to me why it is that you can not tell why a child was born in the Spring, Summer or Fall of last year? A Well, I just never keep any track of things like that; my wife does that.
- Q But you said here that all you knew about the birth of that child was what your wife told you-- 1904 was last year-- you came here and made an affidavit and you presented a paper, you claim, on which was written November, but what we took to be May-- do you mean to say that you know so little about a child that was born last year that you could not tell whether it was May or November-- is that all you know? A It may have been written that way-- but my wife said it was November and you said it was May.
- Q You were not signing that piece of paper that you brought here that day but you were signing the affidavit and that was read to you, and I am asking you now, do you not know the date that child was born? A I do not keep track of such things.
- Q You do not know whether it was May or October? A I know it was along in the Fall, but just when I can not tell.
- Q You know that that was the same child that was born in the Fall

Williams. #4.

of last year that you brought in here to the Commission with you? A Yes.

Q And since that time it has died? A Yes.

Q What month did you say that it died in? A In April.

Q Do you know the day? A My wife said it was on the 10th.

Q You are positive that it died in April? A Yes, I am positive.

Q And that is the same child that you brought here with you on the 9th of March? A Yes.

Dear Madam:

In the matter of the application for the enrollment of your minor daughter, Aurena White, as a Creek freedman, it will be necessary for you to furnish this office the affidavit of the attending physician or midwife at the birth of said child.

For that purpose there is inclosed herewith blank for proof of birth. You are requested to have the same filled out, executed and when so executed return it to this office in the inclosed envelope.

There is on file with the record in this case certificate of Drs. William & DeGroot to the effect that they attended you on the 8th day of January 1905 and that there was born to you on that date a living girl child.

This certificate fails to set forth whether or not the child was living March 4, 1905 neither was the same sworn to.

You should give this matter your immediate attention.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment
of Alice Anderson, deceased, as a Creek freedman.

STATEMENT AND ORDER

The record in this case shows that on March 10, 1905, there was filed with the Commission to the Five Civilized Tribes the affidavits of Nora Anderson and Dickie Anderson in the matter of the birth and death of Alice Anderson, which said affidavits are considered in the nature of an application for the enrollment of said Alice Anderson, deceased, as a Creek freedman.

The evidence shows that said Alice Anderson, deceased, was born September 13, 1903, and died on February 3, 1904, or February 23, 1904.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, adjudged that there is no authority of law for the enrollment of said Alice Anderson, deceased, as a Creek freedman and that the application for her enrollment as such should be and the same is hereby dismissed.

In the matter of the application for the enrollment of your minor child, Oradle Gilbert, as a citizen of the Creek Nation, you are advised that the Commission requires the affidavit of the midwife or physician in attendance at the birth of said child.

There is herewith enclosed a blank form of birth affidavit, and in executing same care should be exercised to see that all blanks are properly filled, all names written in full and in the event that the person signing the affidavit is unable to write, signature by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

DEPARTMENT OF THE INTERIOR
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Vennetta Patrick as a Creek Freedman.

DECISION.

The record in this case shows that on March 3, 1905, Harvey Patrick, appeared before the Commission, at Muskogee, Indian Territory, and made application for the enrollment of his minor children, Sonny Patrick (deceased), Rachel Patrick (deceased) and Vennetta Patrick, as Creek Freedmen. The application for the enrollment of Vennetta Patrick is the only one considered in this decision.

The evidence shows that said Vennetta Patrick was born subsequent to May 25, 1901, and prior to March 4, 1905, and that she was living on said latter date.

The evidence further shows that said Vennetta Patrick is the child of Harvey Patrick and of Clara Patrick; that no claim is made that said Clara Patrick has been enrolled by the Commission as a citizen of the Creek Nation.

An examination of the records of the Commission shows that the name of said Harvey Patrick does not appear on any partial list of Creek Freedmen approved by the Secretary of the Interior prior to March 3, 1905, but that his name does appear on the partial list of Creek Freedmen, approved by the Secretary of the Interior April 6, 1905.

The act of Congress approved March 3, 1905 (Public No. 212) provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-five, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, the opinion of the Commission that there is no authority of law for the reception or consideration of the application for the enrollment of said Vennetta Patrick as a Creek

freedom, and that it should refuse to release the same, and it is so ordered.

DEPARTMENT OF THE INTERIOR.
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Vennetta Patrick as a Creek Freedman. Cr. NF-112.

BEFORE THE HONORABLE, THE SECRETARY OF THE INTERIOR:

BRIEF ON BEHALF OF APPLICANT.

The Commission to the Five Civilized Tribes has denied the applicant, in this case, enrollment solely on the ground that the enrollment of the parent through whom she claims citizenship was not approved by the Secretary of the Interior prior to the date of the approval of the Act of Congress of March 3, 1905, (Public No. 212). It is stated in the Commission's decision that the name of Harvey Patrick, the father of this applicant, "does appear on the partial list of Creek Freedmen, approved by the Secretary of the Interior April 6, 1905".

The records of the Commission show that the enrollment case of Harvey Patrick was submitted to the Commission for decision on August 8, 1904; that on February 3, 1905, the Commission rendered its decision holding that said Harvey Patrick should be enrolled as a Creek Freedman; that in accordance with the practice of the Commission in these cases the Creek Nation was, on February 7, 1905, allowed fifteen days in which to file protest against the enrollment of said applicant, and that on February 23, 1905, no protest having been filed by the Creek Nation, Harvey Patrick was listed for enrollment on Creek Freedman Card No. 1980, and his enrollment approved by the Department on April 6, 1905.

The only question in this case is: Must the child, Vennetta Patrick, be denied enrollment because of the fact that her father's enrollment was not approved by the Department until after the passage of the Act of March 3, 1905, notwithstanding the fact that the father's

case was submitted for decision nearly six months before the passage of the act? According to the Commission's construction of the act, this child must be denied enrollment because of no fault of its own; because of no fault of its father, but because the officials of the Government failed (no doubt because of the amount of work on hand) to promptly decide its father's enrollment case. This construction may be within the letter of the act but we submit that it is not within its spirit. We do not wish to be understood as finding fault with the Commission or the Department for the delay in determining the Harvey Patrick case, but call attention to it for the purpose of showing the unreasonableness of the literal construction which the Commission has given the act.

In the opinion of the Assistant Attorney General for the Interior Department, rendered on December 14, 1903, (ITD 6752-1903), we find this language:

"As to delays caused by default or inability of those charged with administration of the law, as failure to open a land office, or to decide upon an application for enrollment, there is in my opinion no room to doubt the accuracy of the opinion heretofore expressed, that the applicant loses no right by delays not due to some fault of himself".

The purpose of the Act of March 3, was to provide allotments for children born to Creek citizens subsequent to May 25, 1901, and prior to March 4, 1905, and living on the last named date. This was the sole purpose of the act, and Congress did not intend to bar any of these children from receiving an allotment simply because, perchance, the Commission or the Department had not had an opportunity to give its parent's enrollment case a fair investigation. Congress, by inserting the clause requiring the enrollment of the parent to be approved by the Department, simply meant that the enrollment of the parent must be approved by the Department prior to the enrollment of the child. In other words, the parent's enrollment, whether approved prior or subsequent to the passage of the act, was to be the basis for the enrollment of the child. Any other construction would, we believe, lead to absurd consequences.

In the case of Samuel Mahardy, a Seminole residing in the Chickasaw Nation at the time of the passage of the act of June 28, 1898, the Commission, on March 21, 1901, in construing section 22 of said act which provides, among other things, that,

"No person shall be enrolled who has not heretofore removed to and in good faith settled in the Nation in which he claims citizenship",

held, that while the act provided that "no person" should be enrolled who had not theretofore settled "in the Nation" in which he claimed citizenship, still a literal construction of the act would lead to an absurdity, and Mahardy was accordingly enrolled as a citizen of the Seminole Nation, notwithstanding his residence in the Chickasaw Nation. In that case the Commission, quoting the language of Mr. Justice Field in the case of John W. Kirby et al., 7 Wall. 694, said:

"All laws should receive a sensible construction. General terms should be so limited in their application as not to lead to injustice, oppression or absurd consequences. It will always, therefore, be presumed that the Legislature intended exceptions to its language which would effect results of this character. The reason of the law, in such cases, should prevail over its letter".

The Commissions action in this respect was approved by the Department on April 2, 1901.

There is ample authority to justify the statement that it is the duty of the courts and the Department to look to the spirit of the law rather than to its letter. The leading case on this subject is, we believe, that of the Holy Trinity Church v. The United States, 143 U. S., 457. We desire, especially, to call the attention of the Department to this case and the cases cited therein. In rendering the decision of the Court Mr. Justice Brewer used the following language:

"It is a familiar rule that a thing may be within the letter of the statute and yet not within the statute, because not within its spirit, nor within the intention of its makers. This has been often asserted, and the reports are full of cases illustrating its application. This is not the substitution of the will of the judge for that of the legislator, for frequently words of general meaning are used in a statute, words broad enough to include an act in question, and yet a consideration of the whole legislation, or of the circumstances surrounding its enactment, or of the absurd results

which follow from giving such broad meaning to the words, makes it unreasonable to believe that the legislator intended to include the particular act".

We submit that it was not the intention of Congress to bar from enrollment under the Act of March 3, 1905, children of parents whose cases were pending before the Commission or the Department at that time, and had, therefore, not been approved by the Department, and we, therefore, ask that the decision of the Commission to the Five Civilized Tribes denying the application for enrollment of Vannetta Patrick as a Creek Freedman be reversed, and that said application be granted.

Respectfully submitted,

John S. Fieber

Attorney for Applicant.

In the matter of the application for the enrollment of
Sonny Patrick, deceased, and Rachel Patrick, deceased, as
Creek freedmen.

STATEMENT AND ORDER

The record in this case shows that on March 9, 1905,
application was made, in affidavit form, for the enrollment of
Sonny Patrick and Rachel Patrick, both deceased, as Creek
freedmen, under the provisions of the Act of Congress approved
March 3, 1905. Testimony was taken in this matter on said date.

The evidence shows that said Sonny Patrick, deceased,
and Rachel Patrick, deceased, were twin children, born October
28, 1902. The evidence further shows that said Sonny Patrick,
deceased, died January 1, 1903, and that the said Rachel Patrick,
deceased, died March 3, 1903.

The Act of Congress approved March 3, 1905 (33 Stats.,

"That the Commission to the Five Civilized Tribes is
authorized for sixty days after the date of the approval
of this act to receive and consider applications for
enrollment of children born subsequent to May twenty-fifth,

nineteen hundred and five, and living on said latter
date, to citizens of the Creek tribe of Indians whose
enrollment has been approved by the Secretary of the
Interior prior to the date of the approval of this act;
and to enroll and make allotments to such children."

It is, therefore, ordered that the application for the
enrollment of said Sonny Patrick, deceased, and Rachel Patrick,
deceased, as Creek freedmen, be, and the same is, hereby dismissed.

July 1, 1905, John G. Lieber, delivered to this office for transmission to the Department, Brief on behalf of the applicant in the matter of the application for the enrollment of Vennetta Patrick, as a Creek Freedman (Or.NF.112).

I have the honor to report, at the request of the attorney for the applicant, that the records of this office show that on May 8, 1904, application was made to the Commission to the Five Civilized Tribes, for the enrollment of Harvey Patrick, the father of said Vennetta Patrick, as a Creek Freedman. Additional testimony was heard June 20, 1904. February 3, 1905, a decision enrolling Harvey Patrick was signed by said Commission. February 7, 1905, a copy of said decision was forwarded to the Creek Attorney, and fifteen days was allowed for him to protest against same. February 23, 1905, no protest having been made by the Attorney for the Creek Nation, the name of said Harvey Patrick was listed for enrollment on Creek Freedman Card, Field No. 1980. March 17, 1905, a schedule

Dear Sir:

In the matter of the application for the enrollment of your minor daughter Lily Peters, as a Creek freedman, it will be necessary for you to furnish this office with the affidavit of the mother of said child relative to her birth.

For that purpose there is inclosed herewith blank for proof of birth which has been filled out. Be careful to see that the notary public, before whom the affidavit is sworn to, attaches both his name and seal to the affidavit.

In the matter of the application for the enrollment of
David Thompson, deceased, as a Creek freedman.

STATEMENT AND ORDER

The record in this case shows that on March 9, 1905, application was made, in affidavit form, for the enrollment of David Thompson, deceased, as a Creek freedman, under the provisions of the Act of Congress approved March 3, 1905.

It appears from the affidavit filed in this matter that said David Thompson, deceased, was born September 22, 1902, and died three weeks after his birth.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, ordered that the application for the enrollment of said David Thompson, deceased, as a Creek freedman, be, and the same is, hereby dismissed.

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Muskogee, Indian Territory September 11, 1905

Lewis E. Willis,

Tallahassee, Indian Territory.

Dear Sir:

On March 9, 1905, you appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of your minor daughter, Allena Willis, at that time submitting your affidavit as to the birth of said child on September 7, 1904. On April 8, 1905, your wife Anna Lewis appeared before said Commission and submitted her affidavit as to the birth of said child from which it appears that said child was born June 2, 1904. On the same day she filed the affidavit of Harriett Gaines, the midwife who attended at the birth of said Allena Willis, and from the affidavit of said attending midwife it appears that said child was born June 2, 1902.

For the purpose of correcting this discrepancy there is inclosed herewith blank for proof of birth. You are requested to have the same executed, taking care this time to insert the correct date of the birth of your said daughter, and when the same has been properly filled out and sworn to before a notary public return it to this office in the inclosed

Please give this matter your immediate attention.

It appears from the affidavit filed in this matter that said Levorn Perryman, deceased, was born November 7, 1902, and died December 29, 1902.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, ordered that the application for the enrollment of said Levorn Perryman, deceased, as a Creek freedman, be, and the same is, hereby dismissed.

Dear Sir:

In the matter of the application for the enrollment of your minor child, Robbie Hamilton, as a citizen of the Creek Nation, you are advised that the Commission requires the affidavit of the midwife or physician in attendance at the birth of said child.

There is herewith enclosed a blank form of birth affidavit, and in executing same care should be exercised to see that all blanks are properly filled, all names written in full and in the event that the person signing the affidavit is unable to write, signature by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Dear Madam:

In the matter of the application for the enrollment of your minor son, Robbie Hamilton, as a Creek freedman, it will be necessary for you to furnish this office with proper proof of the birth of said child and a blank for that purpose is inclosed herewith.

You are requested to have the same properly executed and when so executed return it to this office in the inclosed envelope. Be careful to see that the notary public, before whom the affidavits are sworn to, attaches his name and seal to each affidavit. In case any signature is by mark the same must be attested by two disinterested witnesses who can write.

The notary public, J. J. Hudson, before whom the affidavit of the attending midwife, Teaner Manula, was sworn to neglected to affix his seal to said affidavit and the same is therefore defective.

Please give this matter your immediate attention.

In the matter of the application for the enrollment of
Hattie Lillian and Ruth Beatrice Taylor as Creek freedmen,

Fanny H. Taylor, being duly sworn, testified as follows:

Commissioner,

- Q What is your name? A Fanny H. Taylor.
Q What is your age? A I am thirty two.
Q What is your post office address? A Muskogee.
Q Are you a citizen of the Creek Nation? A I am not.
Q Have you two now born children you have made application for
here? A Yes two
Q Name them? A Hattie Lillian Taylor and Ruth Beatrice Taylor.
Q Which is older? A Hattie Lillian
Q When was Hattie Lillian born? A September 4th.
Q What year? A 1901
Q Will you explain how it is that we have here an affidavit
executed by you in which the date is given as 1902? A I can't
explain it, it is just a mistake in the year that is all. I knew
we intended to say 1901 because it is written down in the Bible
that way at home
Q How old will this child Hattie Lillian be next September 4th
A Four years old.
Q You are positive of that? A Yes, I am.
Q Martha H. Smith, the midwife, also stated 1902? A She made a
mistake the same way.
Q What is the name of the father of this child? A George H. Taylor
Q George swore in one place 1902 and in one 1904? A He was
thinking of the other child when he said 1904, I think
Q When was Ruth born? A May 16, 1904
Q How old was she last May? A One year old.
Q Are you married to George H. Taylor? A Yes, indeed, in the state
of Illinois
Q Are these children both living? A Yes.

George H. Taylor, being duly sworn, testified as follows:

- Q What is your name? A George H. Taylor.
Q Are you the father of these two children? A Yes, sir.
Q When was Ruth Beatrice Taylor born? A May 16, 1904.
Q A Year old last May? A Yes
Q Is she living? A Yes
Q When was Hattie Lillian born? A September 4, 1901
Q How old will she be next September 4th? A Four years
Q We have here two affidavits made by you, in one of them you
swear she was born September 4, 1902 and in the other you swear
she was born September 4, 1904 how do you explain that? A I don't
see how I did that only I just made a mistake. We have it
written down I think when I said 1904 I was thinking of the
birthday of Ruth, I am not given to making such mistakes
Q You say you have the birthday of both these children written
down at home? A Yes, sir. We mentioned about McKinley being
shot and it was a few days afterwards, he was shot on the 6th
of September and this child was born the 4th of September
Some one said he was shot in 1901 and I must have made the mistake
in that way.

I, Anna Garrison, do hereby state that the above and foregoing
is a true and correct copy of my statement and notes taken in

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Lena Allen, deceased, as a Creek Freedman.

STATEMENT AND ORDER.

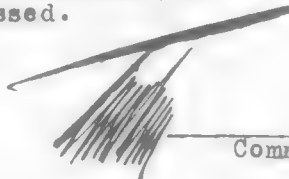

The record in this case shows that on March 15, 1905, application was made, in affidavit form, for the enrollment of Lena Allen, deceased, as a Creek Freedman, under the provisions of the act of Congress approved March 3, 1905. Testimony was taken in this matter on August 17, 1905, and on November 10, 1905, there was filed the affidavit of Joe Lewis relative to the birth and death of said Lena Allen, deceased.

The evidence shows that said Lena Allen, deceased, was born October 10, 1904, and died February 15, 1905.

The Act of Congress approved March 3, 1905 (33 Stat., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, ordered that the application for the enrollment of said Lena Allen, deceased, as a Creek Freedman, be, and the same is, hereby dismissed.

Q You haven't a child named Emmer? A No sir.
Q When was this child born? A She was born in October.
Q How old will she be in October? A Three years old.

Q John Jackson is the father of the child? A Yes sir.
Q He made out the affidavit? A Yes sir, he made the mistake, he knew the date but I guess he forgot it.

Q What day? A 6th day.
Q This February? A Yes sir.
Q Is that the baby there? A Yes sir.

Dear Sir:

In the matter of the application for the enrollment of your minor child, Jessie and Emma Charles, as citizens of the Creek Nation, you are advised that the Commission requires the affidavits of two disinterested witnesses as to the birth of said children.

There are herewith enclosed two blank forms of birth affidavit, and in executing same care should be exercised to see that all blanks are properly, all names written in full and in the event that the person signing the affidavits is unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

Yours,

Chairman.

Dear Sir:

In the matter of the application for the enrollment of your minor daughter Jessie Charles as a Creek freedman you are advised that it will be necessary for you to furnish this office with your affidavit, the affidavit of the attending midwife and the affidavits of two disinterested persons, relative to the birth of said child. For this purpose there are inclosed herewith blanks which have been partially filled out.

You are requested to have the same wholly filled out and if they correctly state the facts have them sworn to before a notary public taking care to see that the notary public attaches his name and seal to each affidavit. In case any signature is by mark the same must be attested by two disinterested witnesses.

This proof has heretofore been furnished by you in the matter of the enrollment of said child but the same has been misplaced. It is believed that the rights of your said daughter as a Creek freedman will better be preserved by

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Maurice Joans, deceased, as a Creek freedman.

STATEMENT AND ORDER.

The record in this case shows that on March 13, 1905, there was filed in the office of the Commission to the Five Civilized Tribes, at Muskogee, Indian Territory, the application of Perry Joans for the enrollment of his minor child, Maurice Joans, deceased, as a Creek freedman. There was also filed on said date the affidavits of Eliza Joans, the mother of said child, and Pernary Dann, the midwife in attendance at its birth. Testimony taken on said date in the matter of the application for the enrollment of said Maurice Joans, deceased, Willie Joans and George Joans as Creek freedmen, is also made part of the record herein.

The evidence shows that said Maurice Joans, deceased, was born August 30 or August 31, 1903 and the weight of evidence establishes the date of death of said applicant as March 3, 1905.

The act of Congress approved March 3, 1905 (Public No. 212), provides:

" That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty five, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is therefore ordered that there is no authority of law for the enrollment of said Maurice Joans, deceased, as a Creek freedman and that the application for his enrollment as such should be and the same is hereby dismissed.

A Yes, about correct to the best of my knowledge.

Q And you made a mistake in the affidavit? A Somebody made a mistake.

In the matter of the application of for the enrollment of
Amanda Williams, as a Creek Freedman.

Mack Dean, being duly sworn, testified as follows:

Examination by the Commission:

- Q What is your name? A Mack Dean.
Q How old are you? A 37.
Q What is your post office address? A Grayson, I.T.

Witness presents a family Bible and among entries relative
the birth of various children is found a freshly written
entry as follows: "Amandar Will 5 ans, was born July
18, the 1901." This entry is in indelible pencil.

- Q Who wrote that entry? A I don't know.
Q You don't know anything about it? A No sir, the old lady Mrs.
Haggerty, Josephine's mother.
Q You were not present when that child was born? A No sir.
Q Have you seen that child lately? A Yes, sir, this morning.
Q From looking at that time and from what you have heard about it,
how many years old would you think it is? A It is worser than three,
it is nearly four, if not four. When I came to this year it was
jabbering.
Q You think this Bible record is right, do you? A Yes sir.
Q If you think it was born in 1902, it would be three years old?
And if it was born in 1901, it would be nearly four years old. We
have affidavits executed by the mother which state that it was born
in June, 18, 1901, and June 18, 1902; testimony by her in which she
says that she has been sick and don't know the year, but she refers
to this Bible record, and now you present this Bible record and it
says July 18, 1901.

Now you are advised that it will be necessary for the sick
woman, Josephine Dean, the mother of this child, and some reputable
witnesses, who know the date of its birth, to appear here and give
testimony under oath.

In the matter of the application for the enrollment of
Lewis Brewster, deceased, as a Creek Freedman.

STATEMENT AND ORDER.

The record in this case shows that on March 13, 1905, application was made, in affidavit form, for the enrollment of Lewis Brewster, deceased, as a Creek Freedman, under the provisions of the Act of Congress approved March 3, 1905.

It appears from the affidavit filed in this matter that said Lewis Brewster, deceased, was born February 4, 1904, and died in May, 1904.

The Act of Congress approved March 3, 1905 (33 Stat., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, ordered that the application for the enrollment of said Lewis Brewster, deceased, as a Creek Freedman, be, and the same is, hereby dismissed.

In the matter of the application for the enrollment of
Adaline Richard, deceased, as a Creek freedman.

STATEMENT AND ORDER

The record in this case shows that on March 13, 1905, application was made, in affidavit form, for the enrollment of Adaline Richard, deceased, as a Creek freedman, under the provisions of the Act of Congress approved March 3, 1905.

It appears from the affidavit filed in this matter that said Adaline Richard, deceased, was born February 19, 1903, and died March 21, 1903.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, ordered that the application for the enrollment of said Adaline Richard, deceased, as a Creek freedman, be, and the same is, hereby dismissed.

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of
Beatrice Grayson as a Creek Freedman.

.....DECISION.....

The record in this case shows that on March 15, 1905, Steve Grayson appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of his niece, Beatrice Grayson, as a Creek Freedman. Further proceedings were had August 22, 1905.

The record further shows that on August 30, 1904, application was made to the Commission to the Five Civilized Tribes for the enrollment of said Beatrice Grayson as a Creek Freedman, that further proceedings were had in the matter of said application on September 1, 1904, December 20, 1904, and January 17, 1905; that said application has not been passed upon, and is now consolidated with the application of March 15, herein. Further proceedings were had August 22, 1905.

The evidence shows that said Beatrice Grayson is the illegitimate minor child of Ed Jackson, a non-citizen, and Elnora Grayson, and that said Elnora Grayson is identified as Elnora Walker on the list of Creek Freedmen whose enrollment was approved by the Secretary of the Interior March 13, 1902.

The evidence further shows that said Beatrice Grayson is sometimes called Beatrice Jackson, but that her correct name is Beatrice Grayson and she is so known to those in whose custody she is; that she was born subsequent to May 25, 1901, and that she was living March 4, 1905.

It is, therefore, ordered and adjudged that said Beatrice Grayson is entitled to be enrolled as a Creek Freedman, in accordance with the provisions of the act of Congress approved March 3, 1905 (Public No. 212), and the application for her enrollment as such is accordingly granted.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment
of Willie Rentie, deceased, as a Creek freedman.

STATEMENT AND ORDER

The record in this case shows that on March 17, 1905, application was made, in affidavit form, for the enrollment of Willie Rentie, deceased, as a Creek freedman, under the provisions of the Act of Congress approved March 3, 1905. Testimony was taken in said matter on said date.

The evidence in this case shows that said Willie Rentie, deceased, was born on or about the 15th of February, 1903, and died sometime during the year of 1904.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, ordered that the application for the enrollment of said Willie Rentie, deceased, as a Creek freedman, be, and the same is, hereby dismissed.

In the matter of the application for the enrollment of
Lillie Fisher, deceased, as a Creek Freedman.

STATEMENT AND ORDER.

The record in this case shows that on March 17, 1906, application was made, in affidavit form, for the enrollment of Lillie Fisher, deceased, as a Creek Freedman, under the provisions of the act of Congress approved March 3, 1905.

It appears from the affidavit filed in this matter that said Lillie Fisher, deceased, was born May 4, 1903, and died July 7, 1904.

The act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty-fifth, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, ordered that the application for the enrollment of said Lillie Fisher, deceased, as a Creek Freedman, be, and the same is, hereby dismissed.

Q How long before it was born did you have sexual intercourse with her? A I couldn't tell you that. I am satisfied without a doubt I am the daddy, cause I was with her--
Q You couldn't be the daddy unless you had sexual intercourse with her nine months before the child was born. A I know that.
Q Did you have sexual intercourse with her nine months before this child was born, as long as nine months before? A Oh, yes.
Q Is this the only child you ever had by her--the only child by her?
A To my knowledge, yes.
Q Did she ever tell you that you had another child by her?
A No sir.
Q Did she tell you that this was your child? A Yes sir.
Q Did you ever do anything to support this child? A Yes, I gave the child money to buy something.
Q How much money? A Lots of money.

Q You are not living with this woman now? A No sir.
Q Is this child living? A Yes sir.
Q Where is it? A With its mother.
Q That's at Porter? A No sir, on the other side of Porter,
north of there I live.
Q What is the postoffice address of this woman? A I don't know
sir.
Q How do you know this child is living, is isn't with you?
A I saw the child this morning.
Q Is that the same one you claim as yours? A Yes sir.
Q When was it born? A I don't know, sir.
Q Don't you know the year even? A 1901, I think.
Q You know the month? A No sir, I don't know the month.
Q If it was born in 1901, it would be four years old now--is that
correct? Is it a child of four years? A I don't know sir, how
old it is.
Q Don't you know even the year in which it was born? I know, but
I ain't--I haven't done studied about it. I don't even know my
age.
Q Ellen Hawkins made affidavit and she said the child was born
August 26, 1902--just a little over two years ago--is that right?
A Let's see, I guess that's right. It seems to me it was in
August when it was born.
Q A minute ago you didn't know the month at all. A You see when
you talk about it, it comes to my recollection.
Q A minute ago you said it was 1901, that is four years; now you
say 1903; that is two years ago--You never had but one child by
her, did you? A No sir.
Q Did you ever know what that child's name was? A Yes sir.
Q What was it? A Bertha.
Q Bertha what? A Bertha Anderson.
Q Do you know that she called it Anderson? A Yes sir.
Q You say also that they gave it the first name Bertha? A Yes
sir.
Q You know that is the same child you are supposed to be the
father of? A Yes sir.
Q Were you present when it was born? A No sir.
Q How long after it was born before you saw it the first time?
A It was about a month, I guess.
Q Did you see it frequently from that time until the present
time--did you see it often? A Yes sir. I saw it often.
Q When was the last time you gave money or anything for its sup-
port? A Why, it was about two weeks ago.
Q How much did you give at that time? A I gave grandmother a
dollar.
Q You don't know the child got it, do you? A Yes sir, it got
it.
Q I will ask you when was this child born, do you know?
A Let me see. I don't know when this child was born.
Q Are you married? A No.
Q Yes, A Yes.
Q Were you married at the time this child was born to any woman?
A No sir.
Q How long have you been married? A Soon be three years.
Q You know what month it will be three years in? A No sir.
Q Are you sure you were not married to your present wife at the

time this child was born? A No sir, I wasn't married when this child was born.

Q Have you a copy of the marriage license to your present wife with you now? A No sir.

THE COMMISSIONER: We would like to have a copy for filing in the matter of the application for the enrollment of Bertha Anderson.

The witness is further advised and requested to try and get Ellen Hawkin, the mother of this child, to respond to the Commissioner's letter which tells her to appear at the office.

Q You couldn't make affidavit giving the date of the birth of the child?

A Not now. When I come back here then I would know when it was born.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES,
MUSKOGEE, INDIAN TERRITORY.
FEBRUARY 5, 1907.

In the matter of the application for the enrollment of Bertha Anderson, as a Creek Freedman, and in the matter of the application for the enrollment of Bertha Jackson, as a Cherokee, Freedman.

DICK ANDERSON, being first duly sworn by W. S. Pitts, a Notary Public, testified as follows, to wit:

Questions by Commissioner:

- Q: What is your name? A: My name is Dick Anderson.
Q: How old are you? A: I am about 26 or 27.
Q: What is your postoffice? A: Tallahassee.
Q: Are you a citizen of any tribe in Indian Territory?
A: I am a citizen of the Creek Nation.
Q: A Creek freedman? A: Yes sir.
Q: Are you married? A: Yes sir.
Q: What is the name of your present wife? A: Nora Anderson.
Q: Is she a citizen of the Creek Nation? A: No sir, she is a state woman.
Q: Were you ever married before you married Nora? A: No sir.
Q: Have you had any children born to you and any other woman besides Nora? A: Yes sir.
Q: What is the name of the child or children?
A: Bertha is the only one.
Q: Is she the only one? A: Yes sir, I am sure of it.
Q: Do you recognize the child you refer to as Bertha as being your child? A: Yes sir.
Q: What is the name of her mother? A: Ellen Hawkins.
Q: Is that her name now? A: No sir, it is Ellen Jackson.
Q: Is she a citizen of any tribe in the Indian Territory?
A: She claims to be a citizen of the Cherokee Nation.
Q: Do you know the name of her father? A: Rat Hawkins.
Q: What is the name of her mother? A: Eliza Drew or Eliza Keys.
Q: By what name is this child Bertha known? A: By Bertha Anderson.
Q: Do you know whether she is known by any other name?
A: No sir. I don't know as she is known by any other name or not.

(The mother of this child Bertha, is duly identified as an enrolled Cherokee freedman and listed on Cherokee Freedman field Card number 652 and her name appears on a

partial roll of Cherokee freedmen opposite number 319.

- Q: The records of this office show that on March 15, 1905, an application was made for the enrollment of Bertha Anderson as a Creek freedman, the alleged child of yourself and Ellen Jackson, is that the child about whom you are testifying? A: Yes sir.
- Q: You appeared before the Commissioner to the Five Civilized Tribes on November 3, 1905, and gave testimony in the matter of the application, in which you alleged that it was your child by Ellen Hawkins, supposed to be a citizen of the Cherokee Nation, is that correct? A: Yes sir.
- Q: The records further show that on June 28, 1906, an application was received, in affidavit form, for the enrollment of a child, Bertha Jackson, alleged to be a child of K. S. Jackson, a non citizen of the Cherokee Nation and Ellen (Keys) Jackson, a citizen of the Cherokee Nation?
- A: When was that given, did you say?
- Q: This application is made for the enrollment of this child under the name of Bertha Jackson, as a citizen of the Cherokee Nation, is that the same identical child for which application was made as a citizen of the Creek Nation, under the name of Bertha Anderson? A: Yes, I guess so. When was this affidavit given?
- Q: The affidavit as to the birth of the child was executed by Ellen (Keys) Jackson on June 23, 1906. This is an application made for the enrollment of the child as a citizen of the Cherokee Nation---do you know whether this is the same child?
- A: What is its name?
- Q: Its name is given in the last application as Bertha Jackson. Is that the same child as is referred to on that paper there? A: Yes, that is the only one that I know of---it is a girl, ain't it?
- Q: When was Bertha born? A: It was born in August.
- Q: Of what year? A: I think of 1902.
- Q: Is the child living now? A: Yes sir.
- Q: Has Ellen, the mother of this child since married---is she married now? A: Yes sir.
- Q: What is the name of her husband? A: Sol Jackson.
- Q: Do you know his full name? A: Yes sir.
- Q: What is it? A: Sol Jackson.
- Q: Is that all his name? A: Yes that is all his name. He worked for me when I first came to this country.
- Q: Do you know whether he is the man who appears here in this affidavit in making application for the enrollment of this child as a citizen of the Cherokee Nation, who has signed his name as K. S. Jackson? A: Yes sir, I think that is the way he signs his name.
- Q: As K. S. Jackson? A: Yes, I think that is the way he signs his name, but I don't know when he made application or nothing like that.
- Q: In the affidavit of Ellen Jackson, in the matter of the application for the enrollment of this child as a citizen of the Creek Nation, she gave the date of its birth as August 25, 1902, which is also the date of the birth of this child given in the matter of the application for its enrollment as a citizen of the Cherokee Nation, so then it must be the same child? A: Yes, it is the same child.

- Q: You are a Creek freedman and the mother of this child is a Cherokee freedman? A: Yes sir.
- Q: In which Nation is it desired to have this child enrolled?
- A: In which Nation?
- Q: Yes. A: Why when I first made it we desired to let the child go through in the Creek Nation.
- Q: Was that before the act was passed authorizing the enrollment of this child as a citizen of the Cherokee Nation?
- A: Yes sir.
- Q: In which Nation is it now desired to have this child enrolled? A: I don't know what the mother of the child thinks about it. I would rather have it enrolled in the Creek Nation, if I could.
- Q: With whom does this child live now? A: It lives with its mother.
- Q: Where does she live? A: She lives about 4 miles from me.
- Q: Is that in the Creek Nation? A: Yes sir.
- Q: What is her post-office? A: I think it is Porter.
- Q: That is your post-office also, is it? A: Mine is Tallahassee.
- Q: Have you contributed anything towards the support of this child? A: Yes sir, I have.
- Q: Have you helped support it? A: Yes sir, some, I gave it money and bought it clothes.
- Q: It would appear that if you are a duly enrolled Creek freedman and you are the father of this child, that it is entitled to enrollment as a citizen of the Creek Nation. It also appears that if it is the child of this Ellen Keys, a duly enrolled Cherokee freedman it would be entitled to enrollment as a citizen of the Cherokee Nation, but under the law, this child can only be enrolled and receive its allotment of land in one Nation---we want now to know in which Nation it is desired to have this child enrolled? It appears that application was made for it in both Nations and now we will have to determine in which Nation it is entitled to be enrolled. In which Nation do you want it to be enrolled? A: I want it enrolled in the Creek Nation---it gets more land there, don't it?
- Q: I can't tell you now to try to influence you one way or the other.
- Q: What do you want to know now? A:
- Q: We want to know in which Nation this child wants to be enrolled.
- A: Well you ought to know more about that whether it is to go with the father or the mother, I don't know much about that.
- Q: Which do you want it to go with? Do you want it to be enrolled as a Cherokee or in the Creek Nation?
- A: It don't make any difference with me about that.
- Q: We sent you a telegram to appear in connection with this child's enrollment, did you get the telegram?
- A: Yes sir, I got it.
- Q: That is the reason you appeared here today? A: Yes sir.
- Q: On the same day we sent you a telegram we sent a telegram to the mother of this child at Porter for her to appear and give testimony---do you know why she is not here?
- A: No sir, I don't.
- Q: Have you seen her since you got the telegram? A: No sir I haven't seen her.
- Q: Could you get her in here to testify in regard to this child?
- A: Why yes, I can get her here I guess.

- Q: Are you and she on friendly terms now? A: Yes sir.
- Q: Do you want to see her and talk with her in regard to which of these this child wants to be enrolled in?
- A: Yes, I would like to see her and talk to her, and of course it is all right with me in which Nation it is enrolled as far as that is concerned.
- Q: Could you see her and talk with her and get her to appear here, both you and her and give testimony?
- A: Yes sir.
- Q: Could you do it at once? A: Yes, if she ain't sick or nothing. If she got a telegram it looks like she might have come.
- Q: Now the law provides that the roll of citizens of the tribes shall be completed by March 4, 1907, that is less than a month from now and in order for this child to be enrolled under the present law you will have to come in here in sufficient time for the Department to enroll it-- you have got to see to this and you should attend to this matter at once. A: Yes sir.
- Q: Could you get her here tomorrow? A: I ain't sure about tomorrow, but I will bring her the next day if I can't get her here tomorrow.
- Q: How do you know whether she has some children younger than Bertha? A: Yes sir.
- Q: Do you know their names? A: Yes, I knew one of their names.
- Q: What is its name? A: Charley.
- Q: Has she a younger one than that? A: She had one I think but it is dead.
- Q: Do you know its name? A: No sir, I don't know its name.
- Q: Do you know how long ago it died? A: Yes, this last gone summer I believe.
- Q: Do you know when the child was born? A: No sir, I don't remember just what time it was born.
- (Application has been made for the enrollment of two other children of Ellen Jackson, named Charley and Tom Jackson they are given as the children of K. S. Jackson, and she has applied for them as citizens of the Cherokee Nation.
- Q: What is the name of your father? A: My father's name is Nere Anderson. Or Nere Drew.
- Q: What is the name of your mother? A: Alice Anderson or Alice Drew.
- Q: What is the name of your oldest sister? A: Mollie Fife.
- Q: What is the name of the next one? A: Lizzie Glover used to be.
- Q: What is the name of the next one? A: Lena.
- Q: Have you a brother named Tobes? A: Yes sir, Tobes.

Witness is identified on Creek Freedman roll, field number 882, his name appears on a partial roll of Creek Freedmen opposite number 2303.

Copies of this testimony will be filed in Creek Freedman New Born case number 225 and in Cherokee freedmen new born case number 434.

Q Did you see it then in September, the same day of the month it
was born? A Yes, sir.
Q Are you sure of that? A Yes, sir.
Q Was this child Bertha born at the time you married your present
wife Nora? A Yes, sir.
Q I will ask you again; I want you to understand it: at the time
you married your present wife Nora had this child Bertha come into
the world yet? A Yes, sir.
Q What did you mean then in your testimony here on November 3,
1905 by this? Were you married at the time this child was born to
another woman? A No, sir. How long have you been married? A soon
be three years. Do you know what month it will be three years old in
No sir. Are you sure you weren't married to your present wife when
this child was born? A No, sir I wasn't married when this child was
born." I told you I didn't know and you told me to get a memoran-
dum of my license.
Q That license shows you were married to your wife Nora in December
1902? A I don't remember --I don't remember whether I was married

Q How old will she be next August? A She got to be four years old, from 1903.
Q We have an affidavit here executed by you in which you say the child was born August 26, 1903? A We made a mistake on her age the first time we were up here, when I and Dick's mamma was up here. After I went home and studied it I got her age right.
Q Are you sure it is right now? A Yes, it is bound to be.
Q Are you sure that Dick Anderson is the father of the child? A Yes, sir.
Q In this affidavit you state also that you were a citizen of the United States, you also state August 26, is that a mistake? A Yes I am telling you it is a mistake.

Q Have you ever made application for the enrollment of this child Bertha Anderson as a citizen of the Cherokee Nation? A No, sir.
Q Has any one ever made application for it? A No, sir.
Q Why didn't you apply for it in the Cherokee Nation? A It goes in the Creek nation with "him", on account he is a Creek; that's the reason I didn't apply for her in the Cherokee Nation.
Q Did you put down anywhere in a book when Bertha was born? A No, sir no more than what was said up here when I appeared before.
Q You never had that child in here? A Yes, sir I brought her here the first time we was up here.
Q Didn't you ever hear that he was married until now? A He is married now. He married after this child was born.

Q You are sure that the child was born and living at the time he married this other woman? A Yes, it was born and living too; it's living now.
Q In his first testimony here he said it wasn't, how do you account for that; hasn't he got good sense? A Yes, sir.
Q Under oath before he said it wasn't. Are you sure you were married to your present wife when this child was born, and he said "No, sir, I wasn't"?
Q How do you fix the date now if you made a mistake in your affidavit before. How are you sure you are right now? A I am sure I am right now because when I studied over it I knew when she was born.
Q Why didn't you study over it before? A Because I wasn't expecting to come up here and see about it.
Q Is the child living with you now? A Yes, sir.
Q Not living with Dick? A No, sir.
Q You have never had anything to do with him since he married this other woman? A No, sir.

Q Living with you? A No, sir with Ellen.

In the matter of the application for the enrollment
of Bertha Anderson as a Creek freedman.

DECISION.

The record in this case shows that on March 15, 1905, application was made in affidavit form, for the enrollment of Bertha Anderson as a Creek freedman, under the provisions of the Act of Congress approved March 3, 1905. Further proceedings were had on November 3, 1905, February 9, 1906, February 5, 1907, and February 6, 1907; a supplemental affidavit executed February 9, 1906 is attached to and made a part of the record herein.

The evidence in this case and the records in the possession of this office show that the applicant, Bertha Anderson, is the illegitimate child of Ellen Jackson, a Cherokee freedman whose name appears upon a partial roll of Cherokee freedmen approved January 25, 1904, opposite number 3192 thereof, as Ellen Keys, and of Dick Anderson, whose name appears on a partial schedule of Creek freedmen approved by the Secretary of the Interior, March 13, 1902, opposite number 2203 thereof.

The records in the possession of this office further show that on June 28, 1906, application was made for the enrollment of the applicant, under the name of Bertha Jackson, as a freedman of the Cherokee Nation, and that thereafter the name of said applicant was placed upon a schedule of new-born Cherokee freedmen which was sent to the Department of the Interior on January 14, 1907, opposite number 453 thereof.

It further appears that on February 5, 1907, the father, Dick Anderson, and on February 6, 1907, the father, Dick Anderson, and the mother, Ellen Jackson, appeared before the Commissioner to the Five Civilized Tribes; that on said date the said father, Dick Anderson elected to have the said applicant enrolled as a Creek freedman and the said mother, Ellen Jackson elected to have the applicant enrolled as a Cherokee freedman. It further appears that the said mother, Ellen Jackson had the applicant in her custody and control.

Inasmuch as the mother is the natural guardian of her illegitimate children no consideration can be given to the attempted election made by the father, Dick Anderson, and it must be considered that election has been made for the enrollment of this applicant as a Cherokee freedman.

It is, therefore, ordered and adjudged that there is no authority of law for the enrollment of Bertha Anderson as a Creek freedman, under the provisions of the Act of Congress approved March 3, 1905 (33 Stats. 1048), and the application for her enrollment as such is accordingly denied.

Dear Madam:

In the matter of the application for the enrollment of your minor child, Bertha Anderson, as a Creek Freedman, there is on file in this office a copy of a marriage license and certificate which shows that Dick Anderson was married to Miss Nora Hunter December 6, 1902; from said Dick Anderson's testimony of November 3, 1902, it appears that he was not married to his wife when Bertha Anderson was born.

There is on file in this office an affidavit executed by you and Alice Anderson, mid-wife, in which it appears that said Bertha Anderson was born August 26, 1902. To explain this discrepancy in dates you are hereby advised that you will be allowed ten days from date within which to appear at this office with said mid-wife, said Dick Anderson and one other witness who knows the date of birth of said child, for the purpose of being examined under oath.

Dear Sir:

In the matter of the application for the enrollment of your minor children, Lucy, Earl and Leonard Barnett, as citizens of the Creek Nation, you are advised that the Commission requires the affidavit of the midwife or physician in attendance at the birth of said children.

There are herewith enclosed three blank forms of birth affidavit, and in executing same care should be exercised to see that all blanks are properly filled, all names written in full and in the event that either of the persons signing the affidavits is unable to write, signatures must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

Chairman.

BC.

Q: Did you buy a coffin? A: No sir, I had one made.
Q: Who made it? A: A fellow named Martin. An indian fellow.
Q: Anything else besides Martin? A: I don't know anything else besides Martin, that is all I know about it.

- Q: What is your post-office address? A: That is at Gatesville now.
- Q: Did you buy anything for the burial of the child?
- A: I bought the lining of the coffin.
- Q: Where did you buy that? A: Cheeka.
- Q: What store? A: I sent Caliker for it, I don't know what store.
- Q: Is he here today? A: No sir.
- Q: Did he pay for it do you know? A: Yes, I sent the money.
- Q: How old was Solomon when you buried him? A: About 7 years.
- Q: What do you mean, that he was going on 7? A: Yes sir.
- Q: When would he be 7? A: I don't know.
- Q: Do you know the month and date he was born on? A: Yes sir I know. I forget, I have got it down but I forget it.
- Q: Was he born in the summer or fall or what? A: Kind a in the summer I think. In September, I think.
- Q: Then he ought to be 7 years old this coming September?
- A: I guess he would? This coming September would make him 7 years old.
- Q: That is what you think is it? A: That is what I believe about it.
- Q: You say you have it down? A: Yes sir.
- Q: Where have you got it down? A: Why in my pocket I think.
- Q: Now Susie here has made affidavit here that the child was born in September 1901, that he was born in 1900 and that he was born in '99 and now you present a paper saying Solomon Smith was born September 10, 1999.
- A: That is the way it was, that is the way I put it down.
- Q: What is the name of the next child? A: Tommy.
- Q: How old was Solomon when Tommy was born? A: I don't know how old he was when Tommy was born because I wasn't home when Tommy was born, I was gone 2 years.
- Q: How old was Solomon when you went away? A: He was 3 or 4 years old, I believe I don't know which.
- Q: Who wrote this writing on this piece of paper here?
- A: A fellow named John Henry who lives on my place.
- Q: When did he put it on this identical piece of paper?
- A: It has been there a long time I couldn't tell you exactly when. About a year I guess.
- Q: Did he write it all at the same time?
- A: Yes sir. He wrote that about Elizabeth too.
- No, it ain't been that long either, it has been near 7 mont months ago, between 6 & 7 now.
- Q: Where did he get his figures from to write this here?
- A: I told him.
- Q: You told him to write this down? A: Yes sir.
- Q: Then this isn't worth anything is it? A: It ain't no account why I had the date that the children was born, that is all.
- Q: You couldn't noy remember Solomon's birth much better 6 or 7 months ago than you could not, could you?
- A: Not much better.
- Q: This was written from your recollection was it?
- A: From mine and hers together.
- Q: Do you know what year your child Solomon was born in?
- A: No sir.
- Q: You are a state man ain't you? A: Yes sir.

- Q: How long have you been in this country? A: 18 or 20 years I guess.
- Q: Do you remember of hearing of the Creek Land office opening, when people first came to Muskogee, a big crowd of them, and tried to file on that day, do you remember that circumstance? A: I recollect it.
- Q: Was your child Solomon born then? A: I wasn't married then. No, he wasn't born then.
- Q: How long have you been married to this woman Susie? A: About 8 years.
- Q: People began filing here in 1899, and that is just a little over 7 years ago.
- Q: If you were married 8 years ago, then you must have been married when the land office was opened?
- A: I came and filed for her after I married her, I came and got the land and filed for her.
- Q: How long had you been married when you came to file for this woman? A: I don't know.
- Q: Had you been married a year? A: I expect so Mister. I couldn't just tell you the truth about it.
- Q: When you came to file for Susie was Solomon born then? A: No sir.
- Q: How long after that was he born? A: I couldn't tell you I don't know.
- Q: Was he born the same year? A: I don't know whether he was or not, I am afraid to say, I don't want to tell something I don't know. What I don't know, I won't have anything to do with it.
- Q: How old was Solomon when you buried him the other day? A: 7 years old I guess, they called him 7 years old on the form.

Questions by J. G. Lieber, attorney, representing M. L. Mott, attorney for Creek Nation.

- Q: Is there a school house up there where you live for colored children? A: Yes sir.
- Q: Did you ever send this child to school? A: No sir.
- Q: You can't tell whether he was born at the time you came and filed for your wife? A: Oh, I know he wasn't born then, I don't think. I don't know whether he was or not, I don't think he was.
- Q: Well study about it a little and see? A: I don't think he was.

Questions by Commissioner:

- Q: If he had been living at the time you went to have your wife enrolled, wouldn't you have put in his name too if he had been born? A: I guess I would, if he had been born.
- Q: Was he born that same year you put your wife's name in? A: I couldn't tell whether he was that same year or not.
- Q: You didn't get this piece of paper, you didn't get the date on here from any bible entry put down at the time the child was born did you? A: No sir, I just took it from a piece of paper and had this fellow put it down.
- Q: What did you have this fellow put it down for?

- A: About the time this one was born, I thought I would keep a recollection of the age so I wouldn't forget them and I had him put it down.
- Q: If this child was born in September '99 as this paper shows here, in 1900, that is a mistake, but ought to be 1899, it would be 7 years old this coming September?
- A: I think it is 7, if I am not mistaken.

(Witnesses are advised they should furnish this office with a certified copy of the marriage license)

- Q: How long had you been married before Solomon was born, after he was born? He was born after you were married wasn't he?
- A: Yes sir.
- Q: How long had you been married when the child was born?
- A: About a year I reckon, as far as my recollection goes.
- Q: You don't know how many months you had been married, about a year is the best you can come at it? A: Yes sir.
- Q: Do you know what month you were married in? A: No sir.
- Q: Don't you know what season of the year it was? A: It seems like it was kind a warm weather, I don't hardly know how it was.

Questions by J.G. Lieber:

- Q: Are you a farmer? A: Yes sir.
- Q: What was the condition of the crops at the time you were married? A: Pretty good crop.
- Q: Was it pretty nearly matured or just growing or were they planting or what? A: It was along about chopping cotton time.
- Q: That would be along in the summer time then wouldn't it? Don't they generally chop cotton along in May and June?
- A: Yes sir

Lante Calloway, being first duly sworn, testified as follows:

Questions by Commissioner:

- Q: What is your name? A: Lante Calloway
- Q: How old are you? A: 45.
- Q: What is your post-office address? A: Gatesville.
- Q: Do you know Susie, the applicant here? A: Yes sir.
- Q: Any kin to her? A: No sir, I am a state woman.
- Q: Do you live near her? A: Yes sir, a half mile.
- Q: How long have you lived there? A: About 16 years.
- Q: What is the name of her first child? A: Solomon.
- Q: Is he living? A: No sir.
- Q: When did he die? A: Sometime in last month I believe. Last month or this month, let's see. It was this month.
- Q: Well how old was he when he died? A: Well I don't know exactly, you know I don't visit them much, they are close neighbors to me, their father and mother ought to know that
- Q: Do you know what year he was born in? A: Well Solomon looked to be the age of 6 or 7.
- Q: Where was that country when these people were married?
- A: I was living in Gatesville.

- Q: How long were they married before Solomon was born? A: I can't tell exactly, we went off and stayed 10 months in Illinois, she was here when we came back.
I wasn't particular to know.
- Q: You didn't pay much attention to it? A: No sir. I must know Solomon, from the looks of him, must have been 6 or 7.

This is all the evidence taken in above case.

I, Julia C. Laval, on my oath state that the above and foregoing is a true and complete transcript of my stenographic notes as taken by me on said date in said case.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment
of Solomon Smith, deceased, as a Creek Freedman.

D E C I S I O N.

The record in this case shows that on March 18, 1905 application was made, in affidavit form, for the enrollment of Solomon Smith, as a Creek Freedman. Additional affidavits were filed on April 24, 1905, and July 30, 1906. Further proceedings were had on July 30, 1906.

The evidence in this case shows that said Solomon Smith is the child of Susie Smith, whose name appears on a partial schedule of Creek Freedmen, approved by the Secretary of the Interior March 28, 1902, opposite roll No. 4843.

The preponderance of the evidence shows that said Solomon Smith was born September 10, 1899, and died July 20, 1906.

Although the application herein was not made within the time designated by the Secretary of the Interior, under the authority in him vested by the provisions of the Act of Congress approved March 3, 1901 (31 Stats., 1010), jurisdiction to consider the same, under the Act of June 30, 1902, was given to this office and the Department by the provisions of Section One of the Act of Congress approved April 26, 1906 (34 Stat. 137).

It is, therefore, ordered and adjudged that the said Solomon Smith, deceased, is entitled to enrollment as a Creek Freedman, under the provisions of the Act of Congress approved June 30, 1902 (32 Stat. 500), and the application for his enrollment as such is accordingly granted.

Dear Sir:

On March 18, 1905, there was filed with the Commission to the Five Civilized Tribes an application for the enrollment of Clara May Brown as a Creek freedman. From the record in said case it appears that said child was born June 22, 1902; that her mother is Savillia Brown, a Cherokee freedman, and that her father is David Brown, a Creek freedman.

You are requested to inform the Creek Enrollment Division as to whether or not any application was ever made to the Commission to the Five Civilized Tribes for the enrollment of the said Clara May Brown as a citizen or freedman of the Cherokee Nation and if so what disposition, if any, has been made of such application.
